Dear Supervisors:

**DEPARTMENT OF PARKS AND RECREATION:  
PETER F. SCHABARUM EQUESTRIAN CENTER  
REFURBISHMENT PROJECT

AND APPROPRIATION ADJUSTMENT  
CAPITAL PROJECT NO. 87131

(FOURTH DISTRICT) (3 VOTES)**

**SUBJECT**

Approval of the recommended actions will approve the Capital Project budget, appropriation adjustment, and adopt Youth Employment Plan for the Peter F. Schabarum Equestrian Center Refurbishment Project.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find the Peter F. Schabarum Equestrian Center Refurbishment exempt from the California Environmental Quality Act because the Project consists of rehabilitation and replacement of existing structures, construction of new, small structures, and minor alterations to the condition of land as stated in the letter herein.
2. Approve the Peter F. Schabarum Equestrian Center Refurbishment Project, Capital Project No. 87131, and budget in the amount of \$321,000.

***Please Conserve Paper – This Document and Copies are Two-Sided  
Intra-County Correspondence Sent Electronically Only***

3. Approve the appropriation adjustment in the amount of \$321,000 offset by County Excess Funds available to the Fourth Supervisorial District from the Los Angeles County Safe Neighborhood Parks Proposition of 1996 (Proposition A) for the Peter F. Schabarum Equestrian Center Refurbishment Project, Capital Project. No. 87131.
4. Authorize the Director of Parks and Recreation to deliver the Peter F. Schabarum Equestrian Center Refurbishment Project using a Board-approved Job Order Contractor.
5. Adopt the Youth Employment Plan as required by the County of Los Angeles Regional Park and Open Space District Procedural Guide.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the recommended actions will find the Peter F. Schabarum Equestrian Center Refurbishment Project (Project) exempt from the California Environmental Quality Act (CEQA), approve the Project and authorize the Department of Parks and Recreation (Department) to deliver the Project.

The Project, which is located at 17250 East Colima Road in Rowland Heights, will consist of refurbishment of the Peter F. Schabarum Equestrian Center. The Project includes replacement of 40 horse stalls; re-configuration of the existing arena; implementation of erosion control measures to direct wastewater runoff from the stables; upgrades to security lighting system and fencing; replacement of picnic benches, tables, lockers and storage containers; removal and replacement of the existing office trailer; and replacement of various equestrian amenities. The Project will also include various accessibility upgrades to comply with current Americans with Disabilities Act standards.

The Project will be administered by Department staff and a Board-approved Job Order Contractor (JOC) will perform the refurbishment work.

Approval of the Youth Employment Plan (Attachment III), which is required to comply with the County of Los Angeles Regional Park and Open Space District's (District) Youth Employment Policy, will authorize at-risk youth to perform weed abatement and general clean-up along the trails.

#### **Implementation of Strategic Plan Goals**

The proposed recommendations support the Board approved County Strategic Plan Goals of Operational Effectiveness (Goal 1), and Community and Municipal Services (Goal 3), by enhancing recreational opportunities that benefit County residents and providing access to equestrian recreation in the Fourth Supervisorial District.

### **Green Building/Sustainable Design Program**

Portions of the Project will support your Board's Green Building/Sustainable Design Program by reducing the need for refurbishment and repairs, and by providing the best usage of the site. Green elements such as energy efficient lighting, recycled wood products, and drainage Best Management Practices will be utilized in various aspects of the Project.

### **FISCAL IMPACT/FINANCING**

The total Project cost, including plans and specifications, plan check, construction, miscellaneous expenditures, and County services is estimated at \$321,000. The Project Schedule and Budget Summary are included in Attachment II.

Approval of the appropriation adjustment (Attachment I), will provide \$321,000 in County Excess Funds available to the Fourth Supervisorial District from the Los Angeles County Safe Neighborhood Parks Proposition of 1996 (Proposition A) to fully fund the Project.

Upon your Boards approval of the appropriation adjustment, sufficient appropriation will be available for implementation of the Project.

### **Operating Budget Impact**

The Department does not anticipate any one-time, start-up, or ongoing costs resulting from this Project. The Project provisions have maintenance requirements that will be fulfilled with existing park staff and resources.

The site is proposed to be managed and maintained by a concessionaire who will contract with the County and will be agreed upon at a later time.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On June 26, 1997, your Board, acting as the governing body of the District, adopted a Youth Employment Policy (Policy) for projects funded by the Safe Neighborhood Parks Propositions of 1992 and 1996 (Proposition A). The District's Policy requires that the governing body of the grantee adopt a Youth Employment Plan for each Proposition A funded project at a duly noticed public meeting.

**ENVIRONMENTAL DOCUMENTATION**

The Project is categorically exempt from CEQA according to Sections 15301(d), 15302(c), and 15304(a) of the State CEQA Guidelines and Classes 1(c) (t), 2(e), and 4(a) of the County's Environmental Document Reporting Procedures and Guidelines, because the Project consists of rehabilitation and replacement of existing structures, construction of new, small structures, and minor alterations to the condition of land.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The recommended actions will have no impact on other County services or projects at this facility.

**CONCLUSION**

Please return one adopted copy of this Board letter to the Chief Executive Office, Capital Projects Division, and to the Department of Parks and Recreation.

Respectfully submitted,

WILLIAM T FUJIOKA  
Chief Executive Officer
